

Dear Robscott friends and neighbors,

I am writing to all of you asking that you vote on November 6<sup>th</sup> to re-elect State Representative John Kowalko.

I have known John even before he assumed public office and I knew then that he was a man who had an extraordinary compassion for all people.

When he was elected ten years ago he quickly set about confirming what I had always thought. He is a hard-working and thoughtful legislator who is as accessible as any we've ever seen. John Kowalko always answers our calls for help and always responds with an inexhaustible supply of energy and vitality. He fights for good, open and transparent government that will place your family's and your community's needs first.

John has always been active in Robscott Manor and his district but he has not ignored his responsibilities to all Delawareans. I believe he is a uniquely talented person who truly believes in public service with an emphasis on "public",

I hope you'll join me and my family on Tuesday, November 6<sup>th</sup> at the polls and vote to re-elect Representative John Kowalko.

Appreciatively yours
