

October 1, 2018

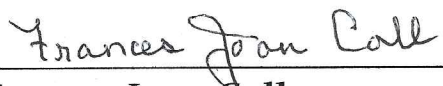

Dear Neighbor:

We hope that you will join us on Tuesday, November 6, 2018, at the polls to reelect John Kowalko, our State Representative from the 25th District.

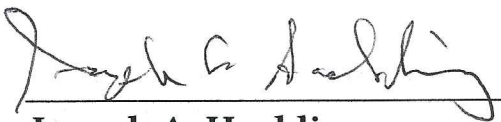

John has served as our state representative for 12 years and during that period has demonstrated many times over that he has the best interests of his constituents as his number one priority. It was through his recent newsletter that we discovered we were eligible as seniors for the New Castle County School Property Tax Credit Program. Through this program we will receive a substantial tax credit in 2019.

As a champion of the middle class and of senior citizens, who have been overlooked by many who hold political office, John was instrumental in negotiating a settlement with DP&L which will result in a decrease in our monthly power bill. In Dover, John continues to lead the fight for an open and transparent government. He is a strong and conscientious leader and will never give in to "special interests". He is committed to working on the behalf of us and our families.

John Kowalko is our voice in the General Assembly in Dover and we are proud to have him represent us for another two years. He has earned your vote. Please support John Kowalko on Election Day, November 6th, 2018, and remember, every vote counts!
