

**Dear Neighbor,**

**We have been given a unique opportunity to support an honest and dedicated public servant this November 6th.**

**John Kowalko, our State Representative is one of the hardest working public servants we've ever had. His dedication and commitment to us and all Delawareans is distinguished by his willingness to work hard to ensure he is as well informed on every matter as anyone can be.**

**He has shown a skill for noticing the subtleness of an issue but still maintains a determined willingness to fight on behalf of our community.**

**John has served us well, as evidenced by his efforts to fight against the Delmarva's rate increases, and his work to bring honest and open government transparency to Dover. John Kowalko works hard for our families and communities in Dover but always makes the time for us, his constituents along the West Chestnut Hill corridor, to listen and learn what concerns us. He then focuses his energy to help us. He has given our neighborhood the dedicated support it needs from its State Representative and has earned our support in return.**

**John is also one of the most honest politicians I've had the pleasure of meeting and he serves all of the people equally.**

**I hope you will join me in supporting and reelecting John Kowalko as our State Representative on Tuesday November 6th**

**Thank you,**
