45 Kells Avenue

Hi Neighbors-

We would like to urge you to vote for our neighbor John Kowalko to return him to continue to serve as our Delaware State Representative here in our 25th district.

Having lived here for more than fifty years we have had many other representatives but, in our opinion, John Kawalko has been outstanding in serving our community in the Delaware State Legislature in Dover.

John lives just down the street from us on Kells and whenever we see him on the street, in community meetings, at City Council, etc., he is always polite, concerned over any issue, and responsive to resolve it.

John does not allow a political party to determine his position and his vote. He votes for what is best for his constituents always. Washington could take a lesson from John in how to function for the people and not always the party first.

Let's return John to our state legislature to continue his fine work.

We urge you to join us and vote for John Kowalko on November 6th.
